Total Names for This Data Card: 60023

Publisher's Introduction

This Base includes the senior management of broadwoven fabric mills, cotton weavers & knitters, dyers & finishers, waterproof coaters & fabric treaters and establishments engaged in the manufacture of fibre, yarn, thread, braids and rugs. This group represents the integrated manufacturers of knit apparel and other finished articles from yarn and the manufacturers of felt, lace and non-woven fabric textiles and also includes both the integrated purchasers and the contract commissioners who process mill product materials owned by other non-manufacturing establishments. They are highlighted by type in the work area 22 SIC classifications, including cotton silk and manmade fibres, glass tufted carpets and rugs, wools, mohair or similar animal fibre, dyers and finishers of woven wool fabrics.

Knitting Mills – knitted products from yarn or knitware fabric, underwear and nightwear, warp flat knit fabrics, curtains, lace goods, netting, bedspreads, stockingnet, towels etc.

The Dyers & Finishers of Textile Fabrics and Cotton – including bleaching, dyeing, printing, roller, screen, flock, plisse, preshrinking, calendering and napping and include silk, stock, yarn, braided goods and carpets & rugs, Analytical processes such as fire proofing and other man-made fibre cotton glass. All are detailed in our Work Area 22 by individual SIC classifications.

Apparel and other manmade fabric products and similar material – includes establishments and the senior designers and purchasing management producing clothing and fabricated products by cutting and sewing purchased woven or knit textile fabrics and related materials such as leather, rubberised fabric, plastic furs and manufacturing clothing by cutting and joining.

The Apparel Industries from three distinct groups:-

1. The regular factories performing all of the usual manufacturing functions within their own plant.
2. The contract factories manufacturing apparel from materials owned by others.
3. Apparel jobbers performing the entrepreneurial function of the manufacturing company such as buying raw materials, designing and preparing samples, arranging for the manufacture of clothing from their material and selling and finishing apparel.

See Work Area 23 for individual SIC classifications.

Fabricated Textiles Products – curtains and drapes, household furnishings, bags and containers, canvas and related products, pleating, decorative and novelty stitching & tucking, embroidery and automotive transport trimming.

Selection Available – work area, SIC classification, work place, work type, size of organisation, gender, income, geographical country and postcode, telephone, fax, email.

The Source – this data has been derived from more than 103 differing files, exhibitions, strategic research, campaign list purchase and data exchange at all the divisions of the textile industries, representing purchasers and fashion designers from around the world. This has proven to be highly receptive file with double response figures reported for many campaigns.

Updating – the file is continuously updated and verified against campaign management and goneaways with all new names checked and suppressed against the frankform ANDS system. All data users are fully covered by the Frankform Guarantee and EC Data Protection Licence.
