

Description for Datacard 20: Utilities
Total Names for This Data Card: 21179

Publishers Introduction

This base includes both private and government individuals having managerial responsibility in providing information services and infrastructure system and service in the support of urban and commercial welfare and includes managers, directors and governmental administration teams actively involved in these major activities.

Communication – information services furnishing point to point communications services, intended to be received aurally or visually and radio and television broadcasting. This major base also include establishments primarily engaged in providing pager and bleeper services, leasing telephone lines or other methods of telephone transmission, such as optical fibre lines and microwave or satellite facilities, re-selling the use of such methods to others – see Work Area 48 SIC classifications.

Electronic, Gas and Sanitary Services – includes establishments engaged in the generation, transmission and distribution of electricity, gas or steam and may be combination of any of the above three services, including other types of services such as transportation, communication and refrigeration. Water and irrigation systems and sanitary systems engaged in the collection and disposal of garbage waste, sewage and other waste materials by means of destroying or processing materials – see Work Area 49 SIC classifications.

Analytical – include the environmental agencies responsible for the control of pollution from any or all of the establishments mentioned in this datacard, including microbiologists, bacteriologists, biochemists and their management teams.

Selection Available – work area, work place, work type, SIC classification, establishment size, gender income, geographical by country and postcode, telephone, fax, email.

Source of Data – environmental registers, strategic research and questionnaires, governmental registers, associations, campaign response, journal publications both local and international, list exchange.

Updating – continuous against source file, questionnaires, campaigns, goneaways, new names checked and suppressed against the Frankform ANDS system. Users are fully covered by our Guarantee and EC Data Protection Licence.
